GUESTS

- Guests, not necessarily accompanied by, but sponsored by a member, may play after registration and payment of appropriate fees. **The sponsor must notify the Clubhouse Lounge of the names of the sponsored guests prior to their arrival.**
- Out of town guests (more than 50 miles from Valley View) may be invited as guests anytime the course is open for play.
- **Guests of any Member who live less than 50 miles from Valley View, may only golf as a guest twice in the same calendar month. You may not play as a guest under multiple memberships within the same month; guest status is limited to twice a month.**
- Guests must attach the provided guest tag to their golf bags.
- Members are responsible for the conduct and attire of their guests and are requested to properly instruct their guests prior to their arrival at the club.

PUBLIC PLAY

Public play is limited to three times per month (54 holes). Exceptions for league play subject to board approval. This will be enforced for any non or inactive member who resides within a 50-mile radius of Valley View Club.

Reciprocal Courses

The reciprocal course list is posted in the lounge and on the Valley View website.
Courses may be played at the negotiated reciprocal rate.
Tee times are required.

CLUB TOURNAMENTS

The following is a listing and brief description of the tournaments held by Valley View Club. For more detailed information and rules for the tournament, consult the **Tournament Rules Book** in the lounge. Individual rules sheets will be available for each tournament when the signup sheet has been posted.

Tournaments will be played from tees that have been designated by the committee.

Players must have an active USGA/CDGA handicap to play in Club handicap tournaments.

USGA Handicap System (Course Handicap Sec. 3-3) will be used for all Club tournaments using handicap.

6-6-6 - Men's and Mixed 2 player teams. 50% of the combined handicap is counted. 6 holes of Best Ball, 6 holes of Alternate Shot, and 6 holes of Best Shot.

Club Championship - Men's and Women's. Players electing to not play in the championship flights are divided into flights by their handicaps. Championship flights are 36 holes; all other flights are 18 holes. Winners based on total score; no handicap applied.

Women's Calcutta – Four-woman teams. All handicap applied. Winners based on total team score. Three scores out of four are counted for each hole, with high score thrown out.

Men's Calcutta - Four-man teams. All handicap is applied. Winners based on total team score.

Mixed Luck of the Draw - Combination of men and women for each team, paired by handicap using an A, B, C & D flight player. Three scores out of four are counted each hole for an overall team score.

Two Person (Open) Calcutta - Two person teams. Scramble (best ball) format both days, with an auction being held after day one. Winners based on low team total for both days with a maximum improvement of seven shots for day two. Auction money and players' pool money will be paid.

Turkey Shoot - 4 or 5 person groups (make your own). Individual prizes paid out in frozen turkeys.

HOLIDAY EVENTS

Members wishing to participate in the events will place \$5 in an "honest box" in the lounge before you start play. The course is open for play and is not restricted to only those playing in the events. All players should start from tee #1. Events will be determined by the golf committee prior to play.

GOLF CARTS

- **No one under 16 is permitted to drive golf carts unless riding with an adult 21 years or older.**
- Carts must remain on paths by all tees and greens where there is a cart path. At tees or greens where there is no cart path, carts should stay at least 30 feet from the tee or green.
- Carts should never be driven or parked between the cart path and the green or a tee.
- Carts should be parked 30 or more feet from the greens.
- Never drive on the west side of #5 green.
- Never drive between roped-off areas and the tee or green.
- No more than two players are permitted to play from a rental cart.
- Please use 1 cart per two-some and 2 carts per four-some. There is no need for a single rider in a two-some or four-some.
- If two handicap golfers are in the same group, they should share one cart. Handicap flag must be displayed at all times.
- Please keep carts out of no-mow areas

CART LEASE PROGRAM

This program allows any member of Valley View to use one of the club's golf carts in our fleet any time you play golf at the club. Sign up in the lounge, or email valleyview82@gmail.com to register.

- \$495 annually for all single membership types (one seat)
*A married member may qualify for the single enrollment status in the Cart Lease Program if their spouse doesn't golf or participate in any club functions. They will be allowed to register as a single for this program. A fee will not be charged for a **Member's Guest** riding, and not playing.
- \$775 annually for all family membership types (2 seat)
***ANY MEMBER WITHOUT HIS/HER OWN GOLF CART WHO ISN'T REGISTERED IN THE CART LEASE PROGRAM AND IS PLAYING GOLF, WILL PAY THE PUBLISHED CART RENTAL FEE WHEN RIDING WITH ANOTHER PLAYER IN ANY LEASED CART.**

GOLF CART SHEDS

- The Board of Directors, through their representative, controls the assignment and occupancy of the cart sheds.
- Once a member has been assigned to a cart shed, it means that only the member has the privilege of using that shed for his or her golf cart. The member does not have the right to give the use of the shed to a friend without first obtaining permission.
- A list of cart shed assignments will be kept by the lounge staff.
- Members wishing to rent a shed should submit their names to the lounge. As a vacancy occurs, it will be filled by the first name on the list. All cart sheds must be equipped with a lock supplied by the occupant.
- **Refrigerators are not allowed in any cart sheds.**

Non-Members may rent a cart shed for storage only for \$480 per calendar year.

Non-members will be required to pay any green and cart fees if you play golf as the shed fee only includes cart storage.

REGISTRATION

- All golfers must register in the Clubhouse Lounge prior to play.
- All golfers must have their own set of at least 5 clubs to play.

GOLF ATTIRE

- Proper golf attire is always required of all members and their guests. Shirts with collars and sleeves, T-shirts, slacks, jeans, and golf shorts are considered appropriate for men. Dresses, skirts, slacks, jeans, golf shorts, blouses, and T-shirts are considered appropriate for women.
- Shirts are to be always worn on the golf course and practice areas.
- No bathing suits will be permitted on the golf course or practice areas.
- Golfers are not allowed to wear golf shoes with metal spikes.

CARE OF THE COURSE

Valley View Club's golf course is one of the most well-maintained courses in the area. Hot and humid summers can be extremely stressful to bent grass, and thus we all must make every effort to care for the course, as well as being tolerant of all necessary maintenance practices. Of great importance are the aerification and top-dressing programs, which go on throughout the year, with concentrated efforts being made in the spring and fall. The final consideration to successfully maintaining bent grass is the cooling of the grass during the summer months (this cooling is accomplished by "misting" or syringing the grass only enough to wet the leaves of the grass). This misting will be required from two to four times each day between 10 a.m. and 5 p.m. during hot weather. This procedure will only interrupt play for two or three minutes at a time. Since we do not delay opening the course to complete maintenance operations, players approaching a green that is being mowed should wait until the mowing is completed before hitting onto the green.

Please help maintain the course by observing the following:

1. Repair all ball marks on the green. Always look for your ball mark and fix it, plus one or two others.
2. Please replace all divots and fill with sand.
3. Enter sand filled bunkers from the closest point to the ball or the lowest point.
4. Players should ensure that when putting down clubs or flagstick, no damage is done to the putting green. Do not damage the hole by either standing too close to it or by mishandling the flagstick. Players should not use their putters to remove their ball from the hole.
5. Never discard or lay a cigarette or cigar on the putting surface. Please dispose of them in ashtrays, or make sure they are totally extinguished and dispose of them in trash receptacles.
6. In taking practice swings, especially on the tee blocks, please repair your divots.
7. Please follow the directional signs indicating where golf carts should be driven.
8. **KEEP CARTS ON CART PATHS WHERE AVAILABLE AND 30' FROM ALL TEES AND GREENS!**
9. Place all trash in containers provided.

FOURSOMES AND FIVESOMES

1. Foursomes are recommended for weekends and holidays.
2. Twosomes and threesomes may play on weekends and holidays if space is available; however, they are encouraged to combine with others to form a foursome so the course can accommodate more players on crowded days. **Twosomes and threesomes should not exert any pressure on the groups ahead.**
4. Fivesomes are permitted to play on weekends and holidays; however, they have no true status, and must let any following group play through if there is an open hole ahead.
5. No groups larger than fivesomes are permitted from March 15 — October 15. The exception to this regulation would be a group playing alternate shot events where two players are playing one ball (must be approved by club personnel before round) or special events where the course is closed.

HANDICAP PARKING

Handicap parking is available in the main lot south of the clubhouse and east of the maintenance shed as designated. A handicap placard or plate must be displayed on the vehicle. If you have neither we ask that you show consideration for those that do and not park in these areas.

HANDICAPS

The yearly handicap fee is \$45.00 for members and \$55.00 for non-members.

The fee is for an CDGA 18-hole handicap for both men and women.

Members will enter their own scores. This can be done at the kiosk at Valley View, CDGA website or the CDGA app that can be downloaded on your phone.

Members must post scores to be eligible to play club events that use handicaps. Not doing so will result in disciplinary action by the handicap committee which could include not being able to play in handicap events.

Handicapping, based on course rating, slope rating and par, is the equalizer among golfers of different abilities. The USGA handicap system is provided by the Chicago District Golf Association as part of our CDGA membership.

Scores may be posted from March 15 – November 14th in cold weather states including Illinois.

World Handicap System

5 Things You Need to Know

1. Your Handicap Index *may* change. But that's ok! Finally, players around the world will have an apples-to-apples handicap. Your new Handicap Index will be more responsive to good scores by averaging your eight best scores out of your most recent 20 (currently, it's 10 out of 20 with a .96 multiplier). In short, your Handicap Index will be determined by your demonstrated ability and consistency of scores. In most cases for golfers in the U.S., it will change less than one stroke.

2. You need to know your Course Handicap. In the new system, your Course Handicap will be the number of strokes needed to play to par. This will result in greater variance in that number and presents a change, as historically it has represented the number of strokes needed to play to the Course Rating. This is a good thing, as par is an easy number to remember. Target score for the day? Par plus Course Handicap. The Course Rating will now be inherent within the calculation to be more intuitive and account for competing from different tees.

3. Net Double Bogey. The maximum hole score for each player will be limited to a Net Double Bogey. This adjustment is more consistent from hole to hole than the Equitable Stroke Control procedure. Net Double Bogey is already used in many other parts of the world and the calculation is simple: Par + 2 + any handicap strokes you receive.

4. Your Handicap Index will be revised daily. One way that handicapping is being modernized is a player's Handicap Index will update daily (which will provide a fairer indication of a player's ability in the moment), if the player submitted a score the day before. On days where the player does not submit a score, no update will take place.

5. Safeguards in the new system. The new system will limit extreme upward movement of a Handicap Index, automatically and immediately reduce a Handicap Index when an exceptional score of at least 7 strokes better is posted, and account for abnormal course or weather conditions to ensure that scores reflect when a course plays significantly different than its established Course Rating and Slope Rating.

These safeguards help maintain accuracy of a Handicap Index, greater integrity within the system and promote fun and fair play for golfers of all abilities.

MEN'S WEDNESDAY NIGHT LEAGUE

April 7 Captains Meeting 6:00 p.m.
April 18 Spring Banquet - 6:00 p.m. Cocktails, 6:30 p.m. Dinner
April 23..... Men's League begins (alternating front and back nines)

MEN'S WEDNESDAY NIGHT LEAGUE

- League Fees are \$55 per person. This entry fee includes League dues, the Spring Banquet with dinner, Club Championship entry, and handicap fee. No entry fee or portion thereof will be refunded for any reason.
- The sponsor fee is \$10 per team. All fees are to be paid in full by the Spring Banquet.
- Each team should have a minimum of six members and have their rosters listed by the date of the captains meeting. Prior to this date, those club members who are not yet selected by a team and who wish to participate in league play will be assigned to a team by the league chairman to those teams having the least number of players. There may be no changes in team composition whatsoever after June 1st without the chairman's approval.
- A team will not be able to compete with a player whose dues payments are not current. The player will be out until current.
- Players must have a handicap or play from scratch. A player must have three 18-hole rounds posted to establish a league handicap.
- Teams of four will play in their own groups. Must all play together on Wednesday. Make a tee time with the lounge before playing.
- If the League gets cancelled because of rain or the course is closed, we will play Thursday.
- If some teams can play before the rain on Wednesday and get their round in it will count for that week and will not need to play Thursday.
- If the round doesn't get completed on Wednesday, you will have to start over Thursday.
- If all teams don't get rounds completed on Wednesday or Thursday all rounds will be cancelled.
- **Turn the card into the lounge when you finish the round. We will take care of entering your scores.**
- Make sure you mark which tees you played from.
- We will start on the front the first week and alternate each week.
- League will be scheduled for 15 weeks.
- Point system will used for the low net of each week. Only counting the 3 lowest nets on each team. If you have only 2 playing you will have to take a KAT score of 45 **or you may use a sub. If a sub is used that score must be counted. Subs cannot be used when you have 3 playing. Subs must be members of Tuesday or Wednesday Leagues and can only play once each week. (subs cannot play for their own team and sub for another in the same week in the same league)** Points break down will be as follows, lowest net to highest.
 - 1st - 50 pts
 - 2nd-45 pts
 - 3rd-40 pts
 - 4th-35 pts
 - 5th-30 pts
 - 6th-25 pts
 - 7th-20 pts
 - 8th-15 pts
 - 9th-10 pts
 - 10th-5 pts
 - 11th-3 pts
 - If there is a tie, we will go to the fourth man.
 - If the 4th man is tied, we will add the points and split between the teams.
 - Example 3rd and 4th place tie 75 points, each team will get 37.5 points.

MEN'S LEAGUE PLAYOFFS

- An elimination playoff will be held on successive Wednesdays immediately following the last Wednesday of league play. All teams will make the playoffs. The teams with the highest yearly point totals from the regular season will receive byes if needed. Ties for seeding will be broken by coin flip. To be eligible for the playoffs, a player must have posted four league scores to be eligible to compete in the playoffs.
- Playoff matches will be played with 4 team members with the total of the best 3 net scores being used as a team score. Matches will be team head-to-head matches with two players from each team playing together to make a foursome. Tie matches will be decided by the 4th player's score.
- If a tie remains:
 - a) the last six holes score with appropriate handicap,
 - b) if still tied the last three holes with appropriate handicap
 - c) if still tied the ninth hole with appropriate handicap will be used to break the tie.
 - d) If a tie still remains, the winning team will be decided by the low team net average for the year.
- The 9 holes being used for league will be closed at 5:00 p.m. to all, except those participating in golf league. No exceptions will be permitted. A shotgun start will be used with the starting tees being assigned by the league chairman. In case of inclement weather, all scores will be canceled, and the match will start fresh on Thursday. In case of rain on Thursday, the match will be played on the following Wednesday and so on until all matches are completed.

GOLF COURSE ETIQUETTE

People using the golf course should do their part to make a round of golf at Valley View a pleasant experience for everyone.

Here are some suggestions:

1. Acting with integrity – for example, by following the Rules, applying all penalties, and being honest in all aspects of play.
2. Showing consideration to others – for example, by playing at a prompt pace, looking out for the safety of others, and not distracting the play of another player.
3. No player should hit a ball until the players in front are out of range.
4. You are expected to recognize when you have breached a Rule and to be honest in applying your own penalties.
5. There are times when you must be virtually certain when making on course decisions, such as the spot where to replace your ball, the point where your ball crossed the edge of a penalty area or when taking relief under the Rules. You are expected to consider all available information and to make a reasonable judgment in the circumstances.
6. Taking good care of the course – for example, by replacing divots, smoothing bunkers, repairing ball-marks, and not causing unnecessary damage to the course.
7. **Ready Golf in stroke play is encouraged when it can be done in a safe and responsible way.**
8. A round for a foursome in a cart should take no longer than 2 hours for 9 holes or 4-1/4 hours to play 18 holes. **The USGA recommends players make each stroke in no more than 40 seconds, and usually in less time.**
9. Players searching for a ball should signal the players behind to pass as soon it becomes apparent that the ball will not be easily found. **A ball is lost if not found in three minutes.**
10. If you are not keeping pace on the course, allow the players behind you to play through.

REMINDERS

Due to course maintenance every Monday, excluding holidays, the course will open at 9:00 a.m. Golfers are to start play on the back 9 ALL DAY. The front 9 will open at 10:00 a.m. If you complete your first 9 holes of your round before 10:00 am you may either wait until 10:00 a.m. to start play on the front 9 or play the back 9 again if tee times are available.

LOCAL GOLF RULES AND CLARIFICATIONS

1. When your ball is in or near a fence, boundary stake, or a tree from which you have no right for relief; play the ball as it lies.
2. TREES - All trees are in play except for those that are marked by a ribbon. If such a tree interferes with a player's stance or his swing, the ball may be lifted, without penalty, and dropped in accordance with the procedure prescribed in Rule 16 (immovable obstruction). The ball may be cleaned when lifted.
3. Mulch around all trees is in play (no relief)
4. Free relief can be taken from mulch, rocks, and plants around all the tee markers and in flowerbeds. Rule 16
5. BEHIND #3 & #6 GREENS - In the absence of a stake or white line, the nearer edge of the service road/cart path is the boundary line and extends to the east side of cart path for #4 tee on the south and the east corner practice area stake on the north. The right side of the cart path by #4 tee is out of bounds.
6. FENCE LINES - Out of bounds is always determined by sighting along the ground on the fairway side of the stakes and fence posts with no regard for the side of the stake on which the fencing is fastened.
7. **All tall grass (No Mow) areas are deemed Penalty Areas. This includes the walking/maintenance path within the no mow/tall grass.**
8. **All Penalty Areas are now marked and to be played as Red Staked Penalty Areas.**

If your ball is inside the Red Staked Penalty Area you have three options, each for a one stroke penalty. (See below Rule 17.1d) You may also play your ball as it lies in the penalty area without penalty.

When it is known or virtually certain that a ball is in any red staked penalty area and the player wishes to take relief, the player has three options, each for a one stroke penalty.

1. *The player may take stroke-and-distance relief.*
2. *The player may take back-on-the-line relief keeping the reference point for where the ball last crossed the edge of the red staked penalty area between the player and the hole.*
3. *The player may take lateral relief. The reference point for taking lateral relief is the estimated point where the ball last crosses the edge of the red staked penalty area. The relief area is two clubs from the reference point, no closer to the hole.*

Drop Zones on #10, #11 & #13 may be used when the ball is in Penalty Area around lake. Ball must enter the Penalty Area around the lake past the drop zone, for drop zone to be used, if drop zone circle is not present, take two club lengths from the drop zone signage.

Exception: Ladies Drop Zone on #11 is located on the green side of lake.

9. USGA rules apply to anything not covered by local rules. The tournament and/or Rules Committee may rule on any situation and make necessary interpretations.
10. The tournament committee will set the course for the following tournaments: Bombay, Calcutta, 6-6-6, Two Person Calcutta, and the Club Championship.
11. The tournament committee will review all tournament schedules and have the right to forfeit matches and render decisions on rules of play.
12. The tournament committee reserves the right to review and adjust the handicap of any player at any time during the season.

13. The Grounds Committee or designated personnel may prohibit play on the course and/or use of golf carts due to weather conditions. Under tournament or league play, the tournament committee may assume this responsibility.
14. Dangerous Situations: When play is suspended for a dangerous situation and the players in a match are between the play of two holes or in the process of playing a hole, they shall discontinue play immediately and not resume play until the Committee has ordered a resumption of play. Players shall resume play after their last completed hole.
15. **PLAY IS SUSPENDED WHEN THE HORN BLOWS! STOP PLAY IMMEDIATELY.** The penalty for the breach of local rule #16 is **DISQUALIFICATION**. Practice areas shall be closed during suspension for a dangerous situation until the event committee has declared them open for use.
16. **AERATION HOLES:** If a ball comes to rest in an aeration hole, the player may, without penalty, lift the ball and clean it. The player shall drop the ball as near as possible to where it lay, but not nearer the hole. On the putting green, the player shall place the ball at the nearest spot but not nearer the hole, which avoids such a situation.
17. **BALL ON WRONG PUTTING GREEN:** For the purpose of Rule 13.1.
18. Students 18 years old and younger are only allowed to play in the Junior Tournament and Club Championship.

LOCAL STROKE AND DISTANCE RULE FOR BALL OUT OF BOUNDS OR LOST BALL

E-5 Alternative to Stroke and Distance for Lost Ball or Ball Out of Bounds

You can still take stroke-and-distance relief as you have in the past, but you now have the following additional option that comes with a penalty of two strokes.

- A. Determine Spot where your ball went out of bounds or is likely lost.**
- B. Find the nearest fairway edge no closer to the hole.**
- C. Drop the ball within two clubs on either side of the fairway edge no closer to the hole.**

LOCAL RULE SPRINKLER HEAD CLOSE TO THE GREEN

1. The ball must lie through the green (not in a bunker or penalty area); and
 2. The immovable obstruction (sprinkler head) must be on or within two club-lengths of the putting green; and
 3. The immovable obstruction must be within two club-lengths of the ball; and
 4. The immovable obstruction must intervene on the line of play between the ball and the hole.
- If and only if, all the criteria above apply for intervention on our line of play, then the player may lift and drop the ball within one club length from the nearest point of relief that is not nearer the hole, avoids intervention and is not in a hazard or on a putting green.

**Signage and postings at the club will supersede what is in
the yearbook.**
