

2019 Cart Lease Program

Do you have a cart that's over the hill and you don't want to replace it? Or maybe your batteries need to be replaced on your electric cart? Why go to the expense? Consider the new Valley View cart lease program. Entrance into the program allows you, as a member, to use one of the Yamaha carts in our fleet any time you play golf at the club. Registration has started; see details below.

Qualifications:

- Applies to any current Valley View member, including the 2018 membership incentive programs.

Cost:

- **\$450 annually - All Single Membership types (one seat)**
 - This applies to any single membership at our club. If you bring a guest to play with you, they would still pay the club green and cart fee.
- **\$700 annually – All Family Membership types (2 seat)**
 - This applies to any family membership at our club. If your spouse or children do not play golf or participate in any club functions, you would qualify for the single rate noted above. If you bring a guest to play with you, they would still pay the club green and cart fee.

*Please note that **any golfer without his/her own golf cart who isn't registered in the cart lease program**, will pay the published cart rental fee when riding with another player in any **leased** cart.

Registration:

- Contact Valley View Club by calling 309-937-3938 or email the club at valleyview82@gmail.com.
