Golfing Reminders and Notices

- Due to course maintenance every Monday, excluding holidays, golfers start play on the back nine until noon. After completion of the back, you may proceed to the front, regardless of the time you finish.
- If rained out on Monday, that same rule will apply on Wednesday morning.
- Remember to register your golfing guests in the lounge before they play.
- It is your responsibility to personally sign up your guests or to call the lounge to inform them that you will be having guests playing.
- **ALL GUESTS AND PUBLIC PLAYERS MUST sign the guest register** when their greens fees are paid.
- Soft Spikes Only on the Golf Course.
- **DO NOT start on # 10 unless you have checked to be sure that no one is playing anywhere on hole # 9.**
- **ALL ALCOHOLIC BEVERAGES CONSUMED ON THE CLUB'S GROUNDS MUST BE PURCHASED THROUGH THE LOUNGE.**

Updates on course closings, event schedules and playing times will be posted in and around the lounge and will also be reported via email and Facebook whenever possible.

Please check the website at www.valleyviewclub.org or Valley View Club Facebook page www.facebook.com/valleyview82 for daily club updates and information.

Please take the time to READ THESE POSTINGS OR CALL AHEAD to avoid confusion or conflicts.

CLUB TOURNAMENTS

The following is a listing and brief description of the tournaments held by Valley View Club. For more detailed information and rules for the tournament, consult the **Tournament Rules Book** in the lounge. Individual rules sheets will be available for each tournament when the sign-up sheet has been posted.

Tournaments will be played from the players established tees or tees that have been designated by the committee.

Players must have an active USGA/CDGA handicap to play in Club handicap tournaments.

USGA Handicap System (Course Handicap Sec. 3-3) will be used for all Club tournaments using handicap.

CBS - Men's and Women's CBS tournaments will be separate again this year.

Two player teams. An 18-hole round of match-play tournament using handicaps applied by subtracting the lowest handicap of the foursome from the other three in the group (the low handicap player plays scratch).

6-6-6 - Men's and Women's 2 player teams. 50% of the combined handicap is counted. 6 holes of Best Ball, 6 holes of Alternate Shot, and 6 holes of Best Shot.

Club Championship - Men's and Women's. Players electing to not play in the championship flights are divided into flights by their handicaps. Championship flights are 36 holes; all other flights are 18 holes. Winners based on total score; no handicap applied.

Bombay - Teams of two men and two women, OR three men and one woman. All handicaps applied. Winners based on total team score. Three scores out of four are counted for each hole, with high score thrown out.

Women's Calcutta - Four woman teams. All handicap applied. Winners based on total team score. Three scores out of four are counted for each hole, with high score thrown out.

Men's Calcutta - Four man teams. All handicap applied. Winners based on total team score.

Mixed Luck of the Draw - Combination of men and women for each team, paired by handicap using an A, B, C & D flight player. Three scores out of four are counted each hole for an overall team score.

Two Person (Open) Calcutta - Two person teams. Scramble (best ball) format both days, with an auction being held after day one. Winners based on low team total for both days with a maximum improvement of seven shots for day two. Auction money and players' pool money will be paid.

Men's and Women's Handicap Championship - 18-hole rounds of match-play tournament using handicaps applied by subtracting the lowest handicap of the foursome from the other three in the group (the low handicap player plays scratch).

Turkey Shoot - 4 or 5 person groups (make your own). Individual prizes paid out in frozen turkeys.

HOLIDAY EVENTS

Anyone wishing to participate in the events will place \$5 in an "honest box" in the Lounge. Prizes will be given for the longest drive, closest to the pin, longest putt made, etc., at the committee's option for the first nine holes played by each player. The course is open for play and is not restricted to only those playing in the events. All players should start from tee #1.

GOLF CARTS

- **No one under 16 is permitted to drive golf carts unless riding with an adult 21 years or older.**
- Carts must remain on paths by all tees and greens where there is a cart path. At tees or greens where there is no cart path, carts should stay at least 30 feet from the tee or green.
- Carts should never be driven or parked between the cart path and the green or a tee.
- Never drive on the west side of #5 green.
- Never drive between roped-off areas and the tee or green.
- No more than two players are permitted to play from a rental cart.
- Please use 1 cart per two-some and 2 carts per four-some. There is no need for a single rider in a two-some or four-some.
- If two handicap golfers are in the same group, they should share one cart. Handicap flag must be displayed at all times.
- Please keep carts out of no-mow areas

CART LEASE PROGRAM

This program allows any member of Valley View to use one of the club's leased golf carts in our fleet any time you play golf at the club. Sign up in the lounge, or email valleyview82@gmail.com to register.

- \$450 annually for all single membership types (one seat)
*A married member may qualify for the single enrollment status in the Cart Lease Program if their spouse doesn't golf or participate in any club functions. They will be allowed to register as a single for this program. A fee will not be charged for a **Member's Guest** riding, and not playing.
- \$700 annually for all family membership types (2 seat)
***ANY MEMBER WITHOUT HIS/HER OWN GOLF CART WHO ISN'T REGISTERED IN THE CART LEASE PROGRAM AND IS PLAYING GOLF, WILL PAY THE PUBLISHED CART RENTAL FEE WHEN RIDING WITH ANOTHER PLAYER IN ANY LEASED CART.**

GOLF CART SHEDS

- The Board of Directors, through their representative, controls the assignment and occupancy of the cart sheds.
- Once a member has been assigned to a cart shed, it means that only the member has the privilege of using that shed for his or her golf cart. The member does not have the right to give the use of the shed to a friend without first obtaining permission.
- A list of cart shed assignments will be kept by the lounge staff.
- Members wishing to rent a shed should submit their names to the lounge. As a vacancy occurs, it will be filled by the first name on the list. All cart sheds must be equipped with a lock supplied by the occupant.
- **Refrigerators are not allowed in any cart sheds.**

REGISTRATION

- All golfers must register in the Clubhouse Lounge prior to play.
- All golfers must have their own set of at least 5 clubs in order to register to play.

GOLF ATTIRE

- Proper golf attire is required of all members and their guests at all times. Shirts with collars and sleeves, T-shirts, slacks, jeans, and golf shorts are considered appropriate for men. Dresses, skirts, slacks, jeans, golf shorts, blouses, and T-shirts are considered appropriate for women.
- Shirts are to be worn at all times on the golf course and practice areas.
- No bathing suits will be permitted on the golf course or practice areas.
- Golfers are not allowed to wear golf shoes with metal spikes.

CARE OF THE COURSE

Valley View Club's golf course is one of the most well maintained courses in the area. Hot and humid summers can be extremely stressful to bent grass, and thus we all must make every effort to care for the course, as well as being tolerant of all necessary maintenance practices. Of great importance are the verification and top-dressing programs, which go on throughout the year, with concentrated efforts being made in the spring and fall. The final consideration to successfully maintaining bent grass is the cooling of the grass during the summer months (this cooling is accomplished by "misting" or syringing the grass only enough to wet the leaves of the grass). This misting will be required from two to four times each day between 10 a.m. and 5 p.m. during hot weather. This procedure will only interrupt play for two or three minutes at a time. Since we do not delay opening the course to complete maintenance operations, players approaching a green that is being mowed should wait until the mowing is completed before hitting onto the green.

Please help maintain the course by observing the following:

1. Repair all ball marks on the green. A fresh ball mark takes a player 5 seconds to repair and will completely heal in 24 hours. A 1-hour old ball mark left unrepaired requires 15 days to heal. Always look for your ball mark and fix it, plus one or two others.
2. Please replace all divots.
3. Enter sand filled bunkers from the closest point to the ball or the lowest point and always rake the bunker carefully to fill up and smooth over all holes and footprints. Leave the bunker in better condition than you found it.
4. Players should ensure that when putting down clubs or flagstick, no damage is done to the putting green. Do not damage the hole by either standing too close to it or by mishandling the flagstick. Players should not use their putters to remove their ball from the hole.
5. Never discard or lay a cigarette or cigar on the putting surface. Please dispose of them in ashtrays, or make sure they are totally extinguished and dispose of them in trash receptacles.
6. In taking practice swings, especially on the tee blocks, please repair your divots.
7. Please follow the directional signs indicating where golf carts should be driven.
8. Place all trash in containers provided.

FOURSOMES AND FIVESOMES

1. Foursomes are recommended for weekends and holidays.
2. Groups of less than foursomes have no right of way on the golf course.
3. Twosomes and threesomes may play on weekends and holidays if space is available; however, they are encouraged to combine with others to form a foursome so the course can accommodate more players on crowded days. **Twosomes and threesomes should not exert any pressure on the groups ahead.**
4. Fivesomes are permitted to play on weekends and holidays; however, they have no true status, and must let any following group play through if there is an open hole ahead.
5. No groups larger than fivesomes are permitted from March 15 — October 15. The exception to this regulation would be a group playing alternate shot events where two players are playing one ball or special events where the course is closed.

HANDICAP PARKING

A parking spot has been added east of the gas barrel, adjacent to the maintenance shed for member use. Board approval must be obtained for use of this spot.

HANDICAPS

The yearly handicap fee is \$25.00 for members and \$40 for non-members.

The fee is for an USGA 18-hole handicap for both men and women.

Members will enter their own scores. This can be done at the kiosk at Valley View, CDGA website or the CDGA app.

Handicapping, based on course rating, slope rating and par, is the equalizer among golfers of different abilities. The USGA handicap system is provided by the Chicago District Golf Association as part of our CDGA membership.

Scores may be posted from April 1 – October 31 in cold weather states including Illinois.

World Handicap System will be implemented in 2020.

5 Things You Need to Know

1. Your Handicap Index *may* change. But that's ok! Finally, players around the world will have an apples-to-apples handicap. Your new Handicap Index will be more responsive to good scores by averaging your eight best scores out of your most recent 20 (currently, it's 10 out of 20 with a .96 multiplier). In short, your Handicap Index will be determined by your demonstrated ability and consistency of scores. In most cases for golfers in the U.S., it will change less than one stroke.

2. You need to know your Course Handicap. In the new system, your Course Handicap will be the number of strokes needed to play to par. This will result in greater variance in that number and presents a change, as historically it has represented the number of strokes needed to play to the Course Rating. This is a good thing, as par is an easy number to remember. Target score for the day? Par plus Course Handicap. The Course Rating will now be inherent within the calculation to be more intuitive and account for competing from different tees.

3. Net Double Bogey. The maximum hole score for each player will be limited to a Net Double Bogey. This adjustment is more consistent from hole to hole than the Equitable Stroke Control procedure. Net Double Bogey is already used in many other parts of the world and the calculation is simple: Par + 2 + any handicap strokes you receive.

4. Your Handicap Index will be revised daily. One way that handicapping is being modernized is a player's Handicap Index will update daily (which will provide a fairer indication of a player's ability in the moment), if the player submitted a score the day before. On days where the player does not submit a score, no update will take place.

5. Safeguards in the new system. The new system will limit extreme upward movement of a Handicap Index, automatically and immediately reduce a Handicap Index when an exceptional score of at least 7 strokes better is posted, and account for abnormal course or weather conditions to ensure that scores reflect when a course plays significantly different than its established Course Rating and Slope Rating.

These safeguards help maintain accuracy of a Handicap Index, greater integrity within the system and promote fun and fair play for golfers of all abilities.

Ending times are the times youth players should be off the course. **Be sure to consult the calendar for weekend events and activities. Please click on the “Events” tab on our website at valleyviewclub.org, then scroll down to the calendar for updates and outside outings.**

WOMEN'S LEAGUE

April 27 Spring Banquet - 6:00 p.m. Cocktails, 6:30 p.m. Dinner
June 4 Women's League begins

- Women's League will play on Thursdays. Teams may play anytime between 8:00 a.m. and 6:30 p.m. We will alternate front and back nines each week. The course will not be closed for league play. In the event of rain or heat cancellation, league will be played the following week and an extra week will be added at the end of the schedule.
- Each team plays with it's own team members. Teams will be playing against another team, but not together. There will be a different format played each week in addition to the usual scoring for prize money.
- Teams are played with 4 members with the total of the best 3 net scores being used as a team score. In the case of a tie, the 4th players' scores will be used to break the tie. If one team has 4 players and the other team has 3 players, the team with 4 players wins the tied match. If, after counting the 4th score the match is still tied, the result is a tie. You must have two team members present; otherwise, your team forfeits the match. A KAT score of net 45 will be used for the third score when a team has only 2 members' scores to post.
- Each team must turn in a scorecard that is signed by two team members. Cards that are not signed properly will result in an automatic disqualification.
- League Fees are \$40.00 per person and must be paid in full by the Spring Banquet. This fee includes League dues, handicap fee, the Spring Banquet with dinner, prizes, women's Club Championship entry, and Handicap Tournament entry. No entry fee or portion thereof will be refunded for any reason.

MEN'S LEAGUE

April 27 Spring Banquet - 6:00 p.m. Cocktails, 6:30 p.m. Dinner
April 29..... Men's League begins - 5:30 p.m. (alternating front and back nines)

- League Fees are \$45 per person. This entry fee includes League dues, the Spring Banquet with dinner, Club Championship entry, and Handicap Tournament entry, and handicap fee. No entry fee or portion thereof will be refunded for any reason.
- The sponsor fee is \$10 per team. All fees are to be paid in full by the Spring Banquet.
- No team may have more than four members with starting handicaps of eight or less to begin the season. Each team should have a minimum of six members and have their rosters listed by April 29. Prior to this date, those club members who are not yet selected by a team and who wish to participate in league play will be assigned to a team by the league chairman to those teams having the least number of players. There may be no changes in team composition whatsoever after June 1st without the chairman's approval.
- Starting time for matches will be on Tuesday at 9:00 a.m. and Wednesday at 5:30 p.m. The rainout day for Wednesday league will be on Thursday at 5:30 p.m. and no rainout makeup for Tuesday league. The 9 holes being used for league will be closed at 5:00 p.m. to all, except those participating in golf league. No exceptions will be permitted. A shotgun start will be used with the starting tees being assigned by the league chairman. Any player who is not at his assigned tee at the start is considered absent and cannot compete. A team may use 4 players each week with the best 3 net scores being used. In case of a tie, the 4th player's score will be used to break the tie. If still tied, the match will be recorded as a tie. Two players from each team participating should line up against 2 players from the opposing team for that week. If a team has only 2 players, a KAT score of net 45 can be used. If a team does not have at least 2 players ready by the starting time, they automatically forfeit the match.
- A team competing with a player whose dues are not paid in full will also forfeit the match. Any player starting play must finish the round and turn in his score under penalty of the loss of the match by the team, except in emergencies. The league chairman or a person designated by him will determine if matches should be played or suspended after a maximum delay of 45 minutes. If unplayable conditions persist, matches will be postponed until Thursday and all scores from the regularly scheduled date will be void. In case of rain or darkness on Thursday, all matches will be permanently canceled. **IN CASE OF LIGHTNING and the horn blows, ALL PLAY IS SUSPENDED IMMEDIATELY - NO EXCEPTIONS.**
- Only the nine holes being used by league will be closed. We will alternate nines weekly.
- Players must have a handicap or play from scratch. A player must have five 18-hole rounds posted to establish a league handicap. We will use half a player's 18-hole handicap for league play. Hole-by-hole scores will be kept on the same card. **ALL SCORECARDS MUST BE SIGNED BY A PLAYER FROM BOTH TEAMS.** The scorekeeper will post all gross and net scores on league score sheets and turn in their scorecards to the league chairman. USGA rules will govern all play except for local golf and ground rules. Both teams face a forfeit if all scores are not signed for, attested and turned in.
- Players will be play matches from their established tees.
- Mark on score card what tees the match was played from for each player.
- Ties will be considered as half a win and half a loss. If two opposing teams both fail to have the required minimum number of players (2), each team will be charged with a loss. Team net scores will be the total of the three scores used per team per week.
- **PRIZE DISTRIBUTION** (Season TEAM prizes)
1st Place-\$250 and sponsor trophies - 2nd Place-\$150 - 3rd Place -\$100

MEN'S LEAGUE PLAYOFFS

- A three-week, elimination playoff will be held on successive Wednesdays immediately following the last Wednesday of league play. Eight teams will make the playoffs; four division winners and four wild-card teams. The wild-card teams will be the non-divisional winners with the best win-loss record. In case of a tie, the team with the lowest net average makes the playoffs. If there is still a tie, then a coin toss by the league chairman or his designate will decide the winner. To be eligible for the playoffs, a team may not have forfeited more than three times and a player must have posted four league scores to be eligible to compete in the playoffs.
- The same format used during the regular season will be used for the playoffs including the STARTING TIME of 5:00 p.m. In case of inclement weather, all scores will be canceled and the match will start fresh on Thursday. In case of rain on Thursday, the match will be played on the following Wednesday and so on until all matches are completed. Tie matches will be decided by the 4th player's score. If a tie still remains, the last six holes score with appropriate handicap, the last three holes with appropriate handicap, and finally the ninth hole with appropriate handicap will be used to break the tie. If a tie still remains, the winning team will be decided by the low team net average for the year.

GOLF COURSE ETIQUETTE

People using the golf course should do their part to make a round of golf at Valley View a pleasant experience for everyone.

Here are some suggestions:

1. Acting with integrity – for example, by following the Rules, applying all penalties, and being honest in all aspects of play.
2. Showing consideration to others – for example, by playing at a prompt pace, looking out for the safety of others, and not distracting the play of another player.
3. No player should hit a ball until the players in front are out of range.
4. You are expected to recognize when you have breached a Rule and to be honest in applying your own penalties.
5. There are times when you must be virtually certain when making on course decisions, such as the spot where to replace your ball, the point where your ball crossed the edge of a penalty area or when taking relief under the Rules. You are expected to consider all available information and to make a reasonable judgment in the circumstances.
6. Taking good care of the course – for example, by replacing divots, smoothing bunkers, repairing ball-marks, and not causing unnecessary damage to the course.
7. **Ready Golf in stroke play is encouraged when it can be done in a safe and responsible way.**
8. A round for a foursome in a cart should take no longer than 2 hours for 9 holes or 4-1/4 hours to play 18 holes. **The USGA recommends players make each stroke in no more than 40 seconds, and usually in less time.**
9. Players searching for a ball should signal the players behind to pass as soon it becomes apparent that the ball will not be easily found. **A ball is lost if not found in three minutes.**
10. **All players wishing to putt with the flagstick in please do so before players begin to putt with the flagstick out. Once flagstick is pulled, it will remain out until all players are finished with the hole.**
11. If you are not keeping pace on the course, allow the players behind you to play through.

RULES REMINDERS

Due to course maintenance every Monday, excluding holidays, golfers start play on the back nine until noon. After completion of the back, you may proceed to the front, regardless of the time you finish.

LOCAL GOLF RULES AND CLARIFICATIONS

1. When winter rules are elected by the committee, they shall be applied as follows. A ball lying in its fairway may be lifted and cleaned, without penalty, and placed within six inches of where it originally lay, not nearer the hole.
2. When your ball is in or near a fence, boundary stake, or a tree from which you have no right for relief; play the ball as it lies.
3. TREES - All trees are in play except for those that are marked by a ribbon. If such a tree interferes with a player's stance or his swing, the ball may be lifted, without penalty, and dropped in accordance with the procedure prescribed in Rule 24-2bi (immovable obstruction). The ball may be cleaned when lifted.
4. Mulch around all trees is in play (no relief)
5. Free relief can be taken from mulch, rocks and plants around all tee markers and in flowerbeds
6. BEHIND #3 & #6 GREENS - In the absence of a stake or white line, the nearer edge of the service road/cart path is the boundary line and extends to the east side of cart path for #4 tee on the south and the east corner practice area stake on the north. The right side of the cart path by #4 tee is out of bounds.
7. FENCE LINES - Out of bounds is always determined by sighting along the ground on the fairway side of the stakes and fence posts with no regard for the side of the stake on which the fencing is fastened.
8. **All Penalty Areas are now marked and to be played as Red Staked (Lateral) Penalty Areas. Yellow Staked Penalty Areas will no longer apply. (term Hazard is no longer used)**

Red Staked (Lateral) Penalty Areas around the lake are marked as "No Play Zones" see Rule 2.4. This area will be marked with red stakes with green tops. You are not allowed to play your ball from or take a stance in a No Play Zone. You must take free relief if the No Play Zone interferes with your stance or area of intended swing when playing a ball outside of the No Play Zone. If the ball is inside the Red Staked (Lateral) Penalty Area marked as a No Play Zone you have three options, each for a one stroke penalty. (see below)

When it is known or virtually certain that a ball is in any red staked (lateral) penalty area and the player wishes to take relief, the player has three options, each for a one stroke penalty.

1. *The player may take stroke-and-distance relief.*
2. *The player may take back-on-the-line relief keeping the reference point for where the ball last crossed the edge of the red staked penalty area between him and the hole.*
3. *The player may take lateral relief. The reference point for taking lateral relief is the estimated point where the ball last crosses the edge of the red staked penalty area. The relief area is two clubs from the reference point, no closer to the hole.*

The margins of Red Staked Penalty Areas continue across cart paths and bridges.

On #11 you may under a 1-stroke penalty, drop your ball in the designated drop area. THE DROP AREA IS THE RED LADIE'S TEE.

9. USGA rules apply to anything not covered by local rules. The tournament and/or Rules Committee may rule on any situation and make necessary interpretations.
10. The tournament committee will set the course for the following tournaments: Bombay, Calcutta, 6-6-6, Two Person Calcutta, and the Club Championship.

11. The tournament committee will review all tournament schedules and have the right to forfeit matches and render decisions on rules of play.
12. The tournament committee reserves the right to review and adjust the handicap of any player at any time during the season.
13. The Grounds Committee may prohibit play on the course and/or use of golf carts due to weather conditions. Under tournament or league play, the tournament committee may assume this responsibility.
14. Dangerous Situations: When play is suspended for a dangerous situation and the players in a match are between the play of two holes or in the process of playing a hole, they shall discontinue play immediately and not resume play until the Committee has ordered a resumption of play. Players shall resume play after their last completed hole.
15. **PLAY IS SUSPENDED WHEN THE HORN BLOWS! STOP PLAY IMMEDIATELY.** The penalty for the breach of local rule #16 is **DISQUALIFICATION**. Practice areas shall be closed during suspension for a dangerous situation until the event committee has declared them open for use.
16. **AERATION HOLES:** If a ball comes to rest in an aeration hole, the player may, without penalty, lift the ball and clean it. The player shall drop the ball as near as possible to where it lay, but not nearer the hole. On the putting green, the player shall place the ball at the nearest spot but not nearer the hole, which avoids such situation.
17. **BALL ON WRONG PUTTING GREEN:** For the purpose of Rule 25-3.
18. Students 18 years old and younger are only allowed to play in the Junior Tournament and Club Championship Only.

NEW LOCAL STROKE AND DISTANCE RULE FOR BALL OUT OF BOUNDS OR LOST BALL

E-5 Alternative to Stroke and Distance for Lost Ball or Ball Out of Bounds

You can still take stroke-and-distance relief as you have in the past, but you now have the following additional option that comes with a penalty of two strokes.

- A. Determine Spot where your ball went out of bounds or is likely lost.**
- B. Find nearest fairway edge no closer to the hole.**
- C. Drop the ball within two clubs on either side of the fairway edge no closer to the hole.**
